Spectrum (Say My Name) by Florence + The Machine

When we (1)_____ came here
We were cold and we were clear
With no colours on our skin
We were light and paper thin
And (2)_____ we first came here
We were cold and we were clear
With no colours on our skin
Till we let the spectrum in
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
And when we come for you
We'll be dressed up all in blue
With the ocean in our arms
Kiss your (3)_____ and kiss your palms
And when it's time to pray
We'll be dressed up all in grey
With metal on our tongues and silver in our lungs
Say my name

And every color illuminates
We are shining
And we will (4)_____ be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And (5)_____ color illuminates
We are shining
And we will never be afraid again
Say my name
And every (6)_____ illuminates
And we are shining
And we will never be afraid again
Say my name
As every (7)_____ illuminates
Say my name
As (8)_____ color illuminates
We are shining
And we will never be (9)_____ again
Say my name
As every (10)_____ illuminates
We are shining
And we will never be afraid again
