Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ (2)_____ of white-flamed
butterflies in my brain
These ideas of mine (3)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the (4)_____ (5)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light (6)_____ my brain
What do I say to her?
Why do I say it to her?
What (7)_____ she (8)_____ of me?
That I'm not what I (9)_____ to be
That I'm what I try not to be
It's got to be (10)_____ else's fault
I can't get caught
If what I am is (11)_____ I am, 'cause I (12)_____
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us (13)_____ to choke on

Every (14)_____ night's a fight with my brain
I (15)_____ want to feel everything
I just want to feel everything
I just (16)_____ to feel everything
So I'm gonna try to be (17)_____ now
Gonna (18)_____ the (19)_____ a little
while and
If we had a double king size bed
We could move in it and I'd soon forget
If what I am is (20)_____ I am, 'cause I does what I does
And maybe I'd relax, let my (21)_____ just bust
open
My heart's made of (22)_____ of all that's
(23)_____ me
And that's why the devil just can't get (24)_____ me
Every single night's alright
Every single night's a fight
And every single fight's alright with my brain
I just want to feel everything
I just want to feel everything
I just (25)_____ to feel everything
I just want to feel everything
