Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's (1)_____ the (2)_____ comes in
Like a (3)_____ skeleton
Trying to fit (4)_____ the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What (5)_____ she think of me?
That I'm not (6)_____ I ought to be
That I'm (7)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is (8)_____ I am, 'cause I does (9)_____
I does
Then brother, get back
'Cause my breast's gonna (10)_____ open
The rib is the (11)_____ and heart is the yolk
And I just need a meal for us (12)_____ to choke on

Every single night's a fight with my brain
I just (13)_____ to feel everything
I just want to feel everything
I just want to feel everything
So I'm (14)_____ try to be still now
Gonna (15)_____ the (16)_____ a little
while and
If we had a (17)_____ king (18)_____ bed
We could move in it and I'd soon forget
If (19)_____ I am is what I am, 'cause I (20)_____
what I does
And maybe I'd relax, let my breast (21)_____ bust open
My heart's made of parts of all that's around me
And that's why the devil just can't get (22)_____ me
Every single night's alright
Every single night's a fight
And every (23)_____ fight's alright with my brain
I (24)_____ want to feel everything
I just want to (25)_____ everything
I (26)_____ want to feel everything
I just want to feel everything
