Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine (2)_____ the mind
Trickle down the spine
Swarm the belly, (3)_____ to a blaze
That's when the pain comes in
Like a (4)_____ skeleton
Trying to fit beneath the skin
I can't fit the (5)_____ in, no
Every single night's a fight with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm (6)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna (7)_____ open
The rib is the shell and (8)_____ is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I just want to feel everything
I (9)_____ want to feel everything
I (10)_____ (11)_____ to (12)_____ everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double king size bed
We could (13)_____ in it and I'd (14)_____ forget
If (15)_____ I am is what I am, 'cause I does what I does
And (16)_____ I'd relax, let my breast just bust open
My heart's made of (17)_____ of all that's around me
And that's why the devil (18)_____ can't get around me
Every single night's alright
Every single night's a fight
And every single fight's alright with my brain
I just (19)_____ to feel everything
I (20)_____ (21)_____ to (22)_____ everything
I just want to feel everything
I just (23)_____ to (24)_____ everything
