Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ wings of white-flamed
(2)_____ in my brain
These ideas of (3)_____ percolate the mind
Trickle (4)_____ the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (5)_____ with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not (6)_____ I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does (7)_____ I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us (8)_____ to choke on

Every single night's a fight with my brain
I (9)_____ want to feel everything
I just want to (10)_____ everything
I (11)_____ want to (12)_____ everything
So I'm gonna try to be still now
Gonna renounce the (13)_____ a little (14)_____
and
If we had a (15)_____ king (16)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I (17)_____ what I does
And maybe I'd relax, let my breast (18)_____ bust open
My heart's (19)_____ of (20)_____ of all that's
around me
And that's why the devil just can't get (21)_____ me
Every single night's alright
Every single night's a fight
And (22)_____ single fight's alright with my brain
I just want to feel everything
I just want to feel everything
I just want to (23)_____ everything
I just want to feel everything
