

Fill in the gaps

Lighters by Bad Meets Evil & Bruno Mars

This one's for you and me

Livin' out our dreams

We're all right where we should be

Lift my arms out wide

I open my eyes

And now all I wanna see

Is a sky full of lighters

A sky full of lighters

By the time you hear this I will have already spiraled up

I would never do nothing to let you cowards fuck my world up

If I was you, I would duck, or get struck like lightning

Fighters keep fighting

Put you lighters up, point em' skyward, uh

Had a dream I was king, I woke up, still king

This rap game's nipple is mine for the milking

Till (1)_____ else even fucking feels me, (2)_____ it kills me

I swear to God I'll be the fucking illest in this music

There is or there ever (3)_____ be, disagree

Feel free, but from now on I'm refusing to ever give up

The only thing I ever (4)_____ up's using, no more excuses

Excuse me if my head is too big for this building

And pardon me if I'm a cocky prick, but you cocks are slick

Poppin' shit on how you flipped ya life around, crock-o-shit

Who you dicks try to kid, flipped dick, you did the opposite

You stayed the same

'Cause cock backwards is still cock, you pricks

I love it when I tell 'em shove it 'cause it wasn't that

Long ago when Marshall sat, luster lacked, flustered

'Cuz he couldn't cut mustard, muster up nothing

Fill in the gaps

Brain fuzzy, 'cause he's buzzin'

Woke up from (5)_____ buzz, and now you wonder

Why he does it, how he does it

Wasn't 'cause he has (6)_____ circle around his head

Waiting for him to drop dead, was it

Or was it 'cause them bitches (7)_____ him off

Little hussy ass, 'cause fuck

Guess it doesn't matter now, does it

What difference it make

What's it take, to get it through your thick skulls

If this ain't

Some bullshit people don't usually come back (8)_____ way

From a place that was dark

As I was in just to get to this place

Now let these words be like a switch blade

To a hater's ribcage

And let be known from this day forward

I wanna just say thanks

'Cause your hate is what gave me the strength

So let 'em Bics raise 'cause I (9)_____ with 5'9"

But I (10)_____ (11)_____ I'm 6'8"

This one's for you and me, livin' out our dreams

We're all right where we should be

Lift my arms out wide

I open my eyes

And now all I wanna see

Is a sky full of lighters

A sky full of lighters

By the (12)_____ you hear this I'll probably (13)_____ be outtie

I advance like going from toting iron to going

Fill in the gaps

And buying 4 or 5 of the homies the iron man Audi

My (14)_____ told me "Slow down, boy, you going to (15)_____ it."

And I ain't gotta stop the beat a minute

To tell Shady I love him the same way

That he did Dr. Dre on The Chronic

Tell him how real he is or how high I am

Or how I would kill for him to (16)_____ it

I cried plenty tears, my daddy got a bad back

So it's (17)_____ right that I (18)_____ 'till he can march right

Into that (19)_____ office and tell 'em to hang it up

Now his career's Lebron's jersey in 20 years

I'll stop when I'm at the very top

You shitted on me on your way up

It's 'bout to be a scary drop

'Cause (20)_____ goes up (21)_____ come down

You going down on something

You don't wanna see, like a hairy box

Every hour, happy hour now

Life is wacky now

Used to (22)_____ to eat the cat to get the pussy

Now I'm (23)_____ the cats meow (ow)

Classic cow, always down for the catch weight like Pacquiao

Ya'll are doomed

I remember when T-Pain ain't wanna work with me

My car starts itself, parks itself, and autotunes

'Cause now (24)_____ in the Aston

I went from having my city locked up

To getting treated like Kwame Kilpatrick

And now I'm fantastic

Compared to a weed high

Fill in the gaps

And (25)_____ niggas just gossipin' like bitches on a radio and TV

See me, we fly

Y'all buggin' out (26)_____ Wendy Williams staring at a beehive

And how real is that

I remember signing my first deal

And now I'm the second best, I can deal with that

Now (27)_____ can show his ass, without the MTV Awards gag

You and I know what it's like

To be kicked down, (28)_____ to fight

But tonight

We're alright

So hold up your light

Let it shine

'Cause this one's for you and me

Livin' out our dreams

We're all right where we should be

Lift my arms out wide

I open my eyes

And now all I wanna see

Is a sky full of lightets

A sky full of lighters
