

Fat Lip by Sum 41

Fill in the gaps

...
Storming through the party
Like my name was El Niño
When I'm hanging out drinking
In the back of an El Camino
As a kid
Was a skid
And no one knew me by name
Trashed my own house party
'Cause (1)_____ came
I know I'm not the one
You (2)_____ you knew back in high school
Never going, never (3)_____ up when we had to
Attention (4)_____ we crave, don't (5)_____ us to
behave
I'm sick of always hearing "act (6)_____ age"
I don't wanna waste my time
Become (7)_____ casualty of society
I'll never fall in line
Become another victim of your conformity
And back down
Because you don't
Know us at all
We (8)_____ when old people fall
But what would you expect
With a conscience so small?
Heavy (9)_____ and mullets
It's how we were raised
Maiden and Priest
Were the gods that we praised
'Cause we like having fun
At other people's (10)_____ and
Cutting people (11)_____ is just a (12)_____
(13)_____ then
It's none of your concern
I guess I'll never learn
I'm sick of being told to wait my turn
I don't wanna waste my time
Become another (14)_____ of society
I'll (15)_____ (16)_____ in line
Become another victim of your conformity

And (17)_____ down
Don't count on me
To let you know when
Don't count on me
I'll do it again
Don't count on me
It's the point you're missing
Don't (18)_____ on me
'Cause I'm not listening
Well I'm a
No good (19)_____ lower (20)_____ class brat
(Backpacked)
And I don't give
About nothing
You be standing on the corner
Talking all (21)_____ kuffuffin
Well you don't (22)_____ sense
From all the gas you
'Cause if the egg don't stain
You'll be ringing off the hook
You're on the hit list
Wanted in the telephone book
I like (23)_____ with distortion
To (24)_____ in proportion
The dentist (25)_____ my mom
Should've had an abortion
...
I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity
And back down
(Waste my (26)_____ (27)_____ them) casualty of
society
(Waste my (28)_____ with them)
Victim of your conformity
And back down
...

Fill in the gaps
