Every time you raise your voice The only way we'll feel better I see the greener grass The only way out is through Every time you run for cover Ultimately I see this pasture We could just walk away and Hide our heads in the sand Every (1)\_\_\_\_\_ we're in a funk I picture a different choice We could just call it quits Only to start all over again Anytime we're in a rut This distant grandeur With somebody else My tendency to want to do away Every time we're stuck in struggle Feels natural and I'm down for the count (6)\_\_\_\_ day Every time I dream of (7)\_\_\_\_\_ fix Mv (2) to dream of softer places I'm assuaged Feels understandable The only way out is through Now I know it's hard when it's through The faster we're in the better And I'm damned if I don't know quick fix way The only way out is through But formerly mistreat me silence now outdated Ultimately My tendency to want to run (8)\_\_\_\_\_ unnatural now The urgency to want to (9)\_\_\_\_\_ to you The only way out is through The only way we'll feel better I don't want most (10)\_\_\_\_\_ good The only way out is through The only way out is through Ultimately The faster we're in the better Every time I'm confused The only way out is through I think there must be easier ways Ultimately Every time our horns are locked The only way out is through I'm towel throwing The only way we'll feel better Every (3)\_ \_\_ we're at a loss The only way out is through We've bolted (4)\_\_\_\_\_ difficulty Ultimately Anytime we're in stalemate of final bowing The only way out is through My tendency to want to hide away The faster we're in the better Feels easier and The only way out is through The immediacy is picturing another place Ultimately
