Going To Barbados by Typically Tropical

Ladies and gentlemen		Mary Jane met the Coconut airplane
This is captain Tobias (1) welcoming you		Now I know, she loves me so
aboard		(Woah) I'm going to Barbados
Coconut Airways flight 372 to Bridgetown Barbados		(Woah) Back to the (4) trees
We will be flying at a height of 32000 feet		(Woah) I'm going to see my girlfriend
And at an (2) of approximately 600 miles		(Woah) In the sunny Carribean sea
per hour		Ladies and gentlemen, we are now commencing
Refreshments (3) be served after take-off		Our (5) into Bridgetown Barbados
Kindly fasten your safety belts		The (6) is fine, with approximate
And refrain from smoking until the aircraft is airborne		temperature
(Woah) I'm going to Barbados		Of ninety degrees Fahrenheit
(Woah) Back to the palm trees		The sky is blue
(Woah) I'm going to see my girlfriend		And the palm trees are (7) cool
(Woah) In the sunny Carribean sea		Captain Wilcock and his crew
I don't wanna be bus driver		Hope you have had a pleasant flight
All my life		And that you will fly Coconut Airways again
I've seen too much of Brixton town		(Woah) I'm going to Barbados
In the night		(Woah) Back to the palm trees
Fly away on Coconut Airways		(Woah) I'm (8) to see my girlfriend
Fly me high, Barbados sky		(Woah) In the sunny Carribean sea
I look up at the sky		(Woah) I'm going to Barbados
And I see the clouds		(Woah) Back to the (9) trees
I look down at the ground		(Woah) I'm going to see my girlfriend
And I see the rain go down the drain		(Woah) In the sunny Carribean sea
Fly away on Coconut Airways		(Woah) I'm going to Barbados
Fly me high, Barbados sky		(Woah) Back to the palm trees
(Woah) I'm going to Barbados		(Woah) I'm going to see my girlfriend
(Woah) Back to the palm trees		
(Woah) I'm going to see my girlfriend		
(Woah) In the sunny Carribean sea
