...
Baby baby, we're on the rocket
Venus and (1)_____ now, can't be apart now
Baby baby, put me in your pocket
We're on a mission, get in position

Hit the switch, push the button, baby
Then you'll see
We can have it all, baby, you and me
Kiss the (2)_____ tonight

Write our name in lights
They will see we're in love tonight
Love tonight, we're in love tonight
