# Reach Out by Hilary Duff & Prophet Let's go

Let's go	Reach out and touch me (before I go insane)
So bring your passport, girl	Reach out and touch me (boy don't you make me wait
I'm trying to show you the world	I'm a diamond and you're so on the money
I know your ex did you bad	Reach out and touch me
But I'm your new (1) man	And all I need is to feel you
Dignity where you stand	Reach out and touch me
With just a touch of my hand	
I'm trying to show you my plan	Let's Go
You got me, girl. I'm a fan	I'm (7) to play with fire
From the minute that you walked	Your body's my desire
Right throught the door	The time to flirt across the room doesn't expire
Thoughts were racing in my mind time to explore	'Cuz you a superstar
I tell my friends that I just gotta have him	Get in my supercar
Don't (2) now, (3) I see you staring at	The paparazzi watchin' us the t-t-tube is on
him	I know I took it far
Then my vision had him walked on in the side	But look how good you are
On a mission, for position by the end of the night	And look how good you look
It's like a prey playing games with the hunter	One touch, I'm supercharged
You better run boy, it's (4) to surrender	Baby, can't you see how you're affecting me
And all I need is to feel you	Baby sensual, physical, fantasy
All I want is to feel you	Maybe, (8) brought the two of us closer
Reach out and touch me (before I go insane)	Don't you wanna, don't you wanna
