

## White Houses by Vanessa Carlton

Crashed on the floor when I moved in	And I pray it never fades, in
This little bungalow (1) (2) strange new	White Houses
friends	Му
Stay up too late, and I'm too thin	First
We promise each other it's 'till the end	Time
Now we're spinning empty bottles	Hard to explain
It's the five of us	Rush of blood (oh)
With pretty eyed boys girls die to trust	And a (6) bit of pain
I can't resist the day	On a cloudy day
No, I can't resist the day	It's more common than you think
Jenny screams out and it's no pose	He's
'Cause when she dances, she goes and goes	My
Beer through the nose on an inside joke	First
And I'm so excited, I haven't spoken	Mistake
And she's so pretty, and she's so sure	Maybe you were all faster than me
Maybe I'm more clever (3) a girl like her	We gave each other up so easily
Summer's all in bloom	These (7) little wounds will never mend
	I (8) so far from where I've been
Summer's (4) soon	
It's alright	So I go
It's alright	So I go
It's alright And it's nice not to be so alone	So I go And I (9) not be (10) here again
It's alright And it's nice not to be so alone But I hold on to secrets, in	So I go And I (9) not be (10) here again I'm gone as the day is fading, on
It's alright And it's nice not to be so alone But I hold on to secrets, in White Houses	So I go And I (9) not be (10) here again I'm gone as the day is fading, on White Houses
It's alright And it's nice not to be so alone But I hold on to secrets, in White Houses Maybe I'm a little bit over my head	So I go And I (9) not be (10) here again I'm gone as the day is fading, on White Houses I lie, put my injuries all in the dust
It's alright And it's nice not to be so alone But I hold on to secrets, in White Houses Maybe I'm a little bit over my head I come undone at the things he said	So I go And I (9) not be (10) here again I'm gone as the day is fading, on White Houses I lie, put my injuries all in the dust In my heart it's the five of us, in
It's alright And it's nice not to be so alone But I hold on to secrets, in White Houses Maybe I'm a little bit over my head I come undone at the things he said And he's so funny in his (5) red shirt	So I go And I (9) not be (10) here again I'm gone as the day is fading, on White Houses I lie, put my injuries all in the dust In my heart it's the five of us, in White Houses
