

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But (1)_____ madness, it kept on

Guess I wasn't too bright

And I (2)_____ wasn't learning

Should have seen it all along

All those sweet (sweet), (3)_____ kisses (yeah)

And those (4)_____ (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't (5)_____ it too

If you'd told me from the start (6)_____ you're playing

Around it would (7)_____ been fine

It would have been fine

Then I would have (8)_____ too and I guess

I would have had a good time...

If you'd (9)_____ me from the start that you're playing

Around it would have been fine...

Then I would (10)_____ played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I (11)_____ it

I just (12)_____ not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why (13)_____ you bring me so (14)_____ pain

I would (15)_____ (16)_____ for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would (17)_____ been fine

Then I would (18)_____ played too and I guess

I (19)_____ have had a good time

I (20)_____ have had a good time

If you'd told me (21)_____ the start that you're playing

Around it would have been fine

It would have been you baby

Then I would have played too and I guess

I would have had a good time

Baby you're so fine

(You are the one that I love)

You are so fine

(Your love was sent from above)

You are so

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

Baby you're so fine

(You are the one that I love)

You are so fine, fine

(Your love was sent from up above)

Oh you're mall of mine

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

Fill in the gaps

(So doggone fine)

Fine

(You are the one that I love)

Fine

(Your love was sent from up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

If you'd told me from the start that you're playing

Around it would have been fine

If you told me

Then I would have played too and I guess

I would have had a good time

Feel good time, feel (22)_____ time

Feel good time, feel good time

If you'd told me (23)_____ the start that you're playing

Around it would have been fine

Had a real good time, boy now

Then I would have played too and I guess

I would have had a good time

I guess I would have had a good time

If you'd (24)_____ me from the start that you're playing

Around it would have been fine

It would have been fine, boy

Then I would have (25)_____ too and I guess

I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It's fine, it's fine, it's fine

Then I would have played too and I guess

I would (26)_____ had a good time

Fill in the gaps

Fine, fine, fine, fine, fine

If you'd told me from the start that you're playing

Around it would have been fine

Then I would have played too and I guess

I would have had a good time

...

Fill in the gaps

Answer

1. your
2. really
