

## Fill in the gaps

| Some things we don't (1) about        | Don't let me go                  |
|---------------------------------------|----------------------------------|
| Rather do without                     | Don't let me go                  |
| And just hold the smile               | Don't let me go                  |
| Falling in and out of love            | Don't let me go                  |
| Ashamed and proud of                  | Don't let me go                  |
| Together all the while                | Don't let me go                  |
| You can never say never               | We're pulling apart              |
| While we don't know when              | And coming (9) again and again   |
| But (2) and time again                | We're growing apart              |
| Younger now (3) we (4) before         | But we pull it together          |
| Don't let me go                       | Pull it together, together again |
| Don't let me go                       | Don't let me go                  |
| Don't let me go                       | Don't let me go                  |
| Don't let me go                       | Don't let me go                  |
| Don't let me go                       | Don't let me go                  |
| Don't let me go                       | Don't let me go                  |
| Picture, you're the (5) of everything | Don't let me go                  |
| As far as the eye can see             | Don't let me go                  |
| Under (6) command                     | Don't let me go                  |
| I will be your guardian               | Don't let me go                  |
| When all is crumbling                 | Don't let me go                  |
| To (7) your hand                      | Don't let me go                  |
| You can never say never               | Don't let me go                  |
| While we don't know when              |                                  |
| Time, time, (8) again                 |                                  |
| Younger now than we were before       |                                  |
