You, with your words like knives	Someday I'll be big enough so you can't hit me
And swords and weapons that you use against me	And all you're ever going to be is mean
You, have knocked me off my feet again	Why you (5) be so mean?
Got me feeling like I'm nothing	And I can see you years from now in a bar
You, with your voice like nails on a chalkboard	Talking (6) a football game
Calling me out when I'm wounded	With that same big loud opinion but
You, picking on the (1) man	Nobody's listening
Well you can take me down with just one single blow	Washed up and ranting about the same old (7)
But you don't know	things
What you don't know	Drunk and (8) on about how I can't
Someday I'll be living in a big ol' city	sing
And all you're ever going to be is mean	But all you are is mean
Someday I'll be big enough so you can't hit me	All you are is mean
And all you're ever going to be is mean	And a liar
Why you gotta be so mean?	And pathetic
You, with your (2) sides	And alone in life
And your wildfire lies and your humiliation	And mean, and mean, and mean
You, (3) pointed out my flaws again	But someday I'll be living in a big ol' city
You, (3) pointed out my flaws again As if I don't already see them	But someday I'll be living in a big ol' city And all you're ever going to be is mean, yeah
	, , ,
As if I don't already see them	And all you're ever going to be is mean, yeah
As if I don't already see them I walk with my head down	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you I just wanna feel okay again	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean Why you gotta be so mean?
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you I just wanna feel okay again I bet you got pushed around	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean Why you gotta be so mean? Someday I'll be living in a big ol' city
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you I just wanna feel okay again I bet you got pushed around Somebody made you cold	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean Why you gotta be so mean? Someday I'll be living in a big ol' city (Why you gotta be so mean?)
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you I just wanna feel okay again I bet you got pushed around Somebody made you cold But the cycle ends right now	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean Why you gotta be so mean? Someday I'll be living in a big ol' city (Why you gotta be so mean?) And all you're ever going to be is mean
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you I just wanna feel okay again I bet you got pushed around Somebody made you cold But the cycle ends right now Cause you can't lead me (4) that road	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean Why you gotta be so mean? Someday I'll be living in a big ol' city (Why you gotta be so mean?) And all you're ever going to be is mean Why you gotta be so mean?
As if I don't already see them I walk with my head down Trying to block you out 'cause I'll never impress you I just wanna feel okay again I bet you got pushed around Somebody made you cold But the cycle ends right now Cause you can't lead me (4) that road And you don't know	And all you're ever going to be is mean, yeah Someday I'll be big enough so you can't hit me And all you're (9) going to be is mean Why you gotta be so mean?
