

Fill in the gaps

Do what you want
If you have a dream for better
Do what you want
Till you don't want it anymore
(Remember who you really are)
Do what you want
Your world's (1) in on you now
(It isn't over)
Stand and face the unknown
(Got to remember who you (2) are)
Every heart in my hands like a pale reflection
Hello, hello, (3) me?
I'm (4) you can't control
Somewhere beyond the pain
There must be a way to believe we can break through
Do what you want
Do what you want You don't have to lay your (5) down
, ,
You don't have to lay your (5) down
You don't have to lay your (5) down (It isn't over)
You don't have to lay your (5) down (It isn't over) Do what you what you want
You don't have to lay your (5) down (It isn't over) Do what you what you want Till you find (6) you're (7) for
You don't have to lay your (5) down (It isn't over) Do what you what you want Till you find (6) you're (7) for (Got to remember who you really are)
You don't have to lay your (5) down (It isn't over) Do what you what you want Till you find (6) you're (7) for (Got to remember who you really are) But (8) hour slipping by screams
You don't have to lay your (5) down (It isn't over) Do what you what you want Till you find (6) you're (7) for (Got to remember who you really are) But (8) hour slipping by screams That I have failed you

Must be a way to believe

Hello, hello, remember me? I'm everything you can't control Somewhere beyond the pain There must be a way to believe There's still time Close your eyes Only love will guide you home Tear down the walls and free your soul Till we crash we're forever spiraling down Down, down, down Hello, hello It's only me infecting everything you love Somewhere beyond the pain There must be a way to believe Hello, hello, remember me? I'm everything you can't control Somewhere beyond the pain There must be a way to learn forgiveness Hello, hello, (10)_ I'm everything you can't control Somewhere beyond the pain There must be a way to believe We can break through (Remember who you really are) Do what you what you want

- 1. closing
- 2. really
