

## I Melt With You by Modern English

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing
It was always mesh and lace
I'll stop the world and melt with you
You've seen the difference
And it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt (1) $\qquad$ you

You should know better
Dream of better lives
The kind which never hate
You (2) $\qquad$ see why
Dropped in the state of imaginary grace
