The Garden by Take That

And the fishermen came back across the water
And the people started running in the park
And the city stopped, as I held you in my arms
We could hear the sound of sirens all around us
And the scent of burning oil was in the air
And the music played
And it felt so good to hear
This is the life we've
(1)_____ given
So open your mind and start living
We can (2)_____ a part if we only start believing
There's a stranger on the hill and he is speaking
As the tear from every (3)_____ begin to (4)_____
For one moment then, we understood it all
Everyone, everyone, can you hear
the soldiers coming
Everyone, everyone, every man and every (5)_____
We all fall, in the end we're just miracles of matter
So (6)_____ on, let me love you
This is the life we've been given
So open your (7)_____ and start living
We can (8)_____ a part if we only start believing
This is the life we've been given
So open your heart and start loving
We can make a start if we only learn to listen
Then the crowd began to head for
the horizon
A million people walking back to work
But you and me, we just lay down in the garden
Yeah you and me, we just lay down in the garden
This is the life we've been given
So (9)_____ your heart and start (10)_____
We can make a start if we only learn to listen
You and me, we just lay down in the garden
Yeah, the garden
