

## Fill in the gaps

Josie's on her vacation far away
Coverin' and talkin' over
So many things (1) I wanna say
You know I like my girls a little bit older
I just wanna use your love, tonight
I don't wanna lose your love, tonight
I ain't got many friends (2) to talk to
No one's around (3) I'm in trouble
You know I'd do (4) for you
Stay the night but keep it undercover
I just wanna use your love, tonight (yeah)
I don't wanna lose your love, tonight
I tried to stop my hands from shaking
Something in my mind's not making sense
It's been (5) we've been all alone
It's been (5) (6) we've been all alone I can't hide the way I'm feeling
I can't hide the way I'm feeling
I can't hide the way I'm feeling  As you leave the place, would you close the door?  And don't forget what I told you
I can't hide the way I'm feeling  As you leave the place, would you close the door?  And don't forget what I told you  Just 'cause you're right (7) don't mean I'm wrong
I can't hide the way I'm feeling  As you leave the place, would you close the door?  And don't forget what I told you  Just 'cause you're right (7) don't mean I'm wrong  Another shoulder to cry upon
