

Fill in the gaps

Waiting For The End by Linkin Park

This is not the end
This is not the beginning
Just a voice like a (1)_____ rocking (2)_____
revision
But you listen to the (3)_____ and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah
With (4)_____ flying up in the air
Like we're holding onto something that's invisible there
Cause we're living at the mercy of the pain and the fear
Until we (5)_____ it, forget it, let it all disappear
Waiting for the end to come
Wishing I had strength to stand
This is not (6)_____ I had planned
It's out of my control
Flying at the speed of light
Thoughts were (7)_____ in my head
So many things were left unsaid
It's hard to let you go
I know what it (8)_____ to move on
I (9)_____ how it feels to lie
All I want to do
Is trade this life for something new
Holding on to what I haven't got
Sitting in an empty room
Trying to forget the past
This was never meant to last
I wish it wasn't so

I know what it (10)_____ to move on
I know how it feels to lie
All I want to do
Is trade this life for (11)_____ new
Holding on to what I haven't got
What was left when that fire was gone
I thought it felt right but (12)_____ right was wrong
All (13)_____ up in the eye of the storm
And trying to (14)_____ out what it's like
(15)_____ on
And I don't even know (16)_____ kind of
(17)_____ I said
My mouth kept (18)_____ and my (19)_____
went dead
So I'm picking up the pieces, now where to begin
The hardest part of ending is starting again
All I (20)_____ to do
Is trade this life for (21)_____ new
Holding on to what I haven't got...
This is not the end, this is not the beginning
Just a voice like a (22)_____ rocking (23)_____
revision
But you listen to the (24)_____ and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah (25)_____ fists flying up in the air
Like we're holding onto something that's invisible there
Cause we're (26)_____ at the mercy of the pain and
the fear
Until we dead it, (27)_____ it let it all disappear

Fill in the gaps

Answer
