

## Fill in the gaps

### White Flags (Live) by Dido

I know you (1)\_\_\_\_\_ that I shouldn't still love you

Or tell you that

But if I didn't say it, (2)\_\_\_\_\_ I'd still have (3)\_\_\_\_\_ it

Where's the sense in that?

I promise I'm not trying to make your life harder

Or return to where we were

But I will go down (4)\_\_\_\_\_ this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I know I left too much mess and

Destruction to come back again

And I caused nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "it's over"

Then I'm sure that that makes sense

But I will go down with this ship

And I won't put my (5)\_\_\_\_\_ up and surrender

There will be no white flag above my door

I'm in love and always will be

And when we meet

Which I'm sure we will

All that was there

Will be there still

I'll let it pass

And hold my tongue

And you will think

That I've moved on...

I will go down with this ship

And I won't put my (6)\_\_\_\_\_ up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There (7)\_\_\_\_\_ be no (8)\_\_\_\_\_ (9)\_\_\_\_\_

above my door

I'm in love and always will be

But I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love (and always will be)
