Without Me by Eminem

Fill in the gaps

Two trailer park girls go round the outside
Round the outside
Round the outside
Two trailer (1) girls go round the outside
Round the outside
Round the outside
Guess who's back
Back again
Shady's back
Tell a friend
Guess who's back
I've created a monster
Cuz nobody wants to see Marshall no more
They want Shady, I'm chopped liver
Well if you (2) Shady, this is what I'll give ya
A little bit of me mixed with some hard liquor
Some vodka that'll jump start my heart quicker
Then a shock when I get shocked
At the hospital by the doctor
When I'm not co-operating
When I'm rocking the table while he's operating

I'll be (23) with a whole list	st
Full of new insults	
I been dope, (24)	with a pencil
Ever since Prince turned himself into a	symbol
But sometimes man it (25)s	seems
Everybody only wants to discuss me	
So this must mean I'm dis-gus-ting	
But it's just me, I'm just obscene	
No I'm not the first king of controversy	
I am the worst thing since Elvis Presley	,
To do black music so selfishly	
And used it to get myself wealthy	
(Hey!) There's a concept that works	
Twenty million (26) white	(27) emerge
But no matter how many fish in the sea	ı
It'd be so empty, without me	
Now this looks like a job for me	
So everybody, just follow me	
Cause we need a little, controversy	
Cause it feels so empty, without me	
I said this (28) like a job f	or me
So everybody, just follow me	
Cause we need a little, controversy	

Cause it feels so empty, without me
