Shattered by Trading Yesterday

Yesterday I died, tomorrow's bleeding
Fall into your sunlight
The future's open wide beyond believing
To know why hope dies
Losing what was found, a world so hollow
Suspended in a compromise
The silence of this sound is soon to follow
Somehow sundown
And finding answers
Is forgetting all of the questions we call home
Passing the graves of the unknown
As reason (1)_____ my eyes, with splendor fading
Illusions of the sunlight
And the reflection of a lie will keep me waiting
Love gone for so long
This day's ending
Is the proof of (2)_____ killing all the (3)_____ I
know
Knowing that faith is all I hold
And I've lost who I am
And I can't understand
Why my (4)_____ is so broken
Rejecting your love
Without (5)_____ gone wrong
Life less words
Carry on
But I know
All I know
Is that the ends beginning
Who I am from the start
Take me (6)_____ to my heart
Let me go
And I (7)_____ run
I will not be silenced
All (8)_____ (9)_____ (10)_____ in vain
Wasted years
Wasted gain

Hope remains

Theres a light
Theres the sun
Taking all the shattered ones
To the (11)_____ we belong
And his (12)_____ will conquer
