Sitting here wasted and wounded
At this old piano
Trying hard to capture the moment
This morning I don't know
'Cause a bottle of vodka
Is still lodged in my head
And (1) blonde gave me nightmares
I think that she's still in my bed
As I dream about movies
They won't make of me when I'm dead
With an ironclad fist I wake up
And French kiss the morning
While some marching band keeps
Its own beat in my head
While we're talking
About all of the things (2) I long to believe
About love and the truth
And what you (3) to me
And the truth is
Baby you're all that I need
I want to lay you down in a bed of roses
For tonight I sleep on a bed of nails
I want to be just as close as the Holy Ghost is
And lay you down on a bed of roses
Well I'm so far away
That each step that I take is on my way home
A king's ransom in dimes
I'd given each night
Just to see through this payphone
Still I run out of time

Or it's hard to get through
Till the bird on the wire

I'll just close my eyes and whisper Baby blind love is true I want to lay you down in a bed of roses For tonight I sleep on a bed of nails I want to be (4) as close as the Holy Ghost is And lay you down on a bed of roses Where the hotel bar hangover whiskey's gone dry The barkeeper's wig's crooked And she's (5) me the eye I might have said yeah But I laughed so (6) I think I died Now as you close your eyes Know I'll be thinking about you While my mistress she calls me To stand in her (7) again Tonight I won't be alone But you know that don't Mean I'm not lonely I've got nothing to prove It's for you that I'd die to defend I want to lay you down in a bed of roses For tonight I sleep on a bed of nails I (8) to be just as close as the Holy Ghost is And lay you down I want to lay you down in a bed of roses For tonight I sleep on a bed of nails I want to be just as close as the Holy Ghost is And lay you (9) in a bed of roses
