Don't Forget by Demi Lovato

Even more in love

Fill in the gaps

Did you forget	Than we (7) before
That I was (1) alive	I won't forget
Did you forget	I won't forget
Everything we (2) had	About us
Did you forget	But somewhere we went wrong
Did you forget	We were (8) so strong
About me	Our (9) is like a song
Did you regret (did you regret)	You can't forget it
Ever standing by my side	Somewhere we went wrong
Did you forget (did you forget)	We were once so strong
What we were feeling inside	Our love is like a song
Now I'm left to forget	You can't (10) it
About us	At all
But (3) we (4) wrong	And at last
But (3) we (4) wrong We were (5) so strong	And at last All the pictures have been burned
We were (5) so strong	All the pictures have been burned
We were (5) so strong Our love is like a song	All the pictures have been burned And all the past
We were (5) so strong Our love is like a song You can't forget it	All the pictures have been burned And all the past Is just a lesson that we've learned
We were (5) so strong Our love is like a song You can't forget it So now I guess	All the pictures have been burned And all the past Is just a lesson that we've learned I won't forget
We were (5) so strong Our love is like a song You can't forget it So now I guess This is where we have to stand	All the pictures have been burned And all the past Is just a lesson that we've learned I won't forget Please don't forget us
We were (5) so strong Our love is like a song You can't forget it So now I guess This is where we have to stand Did you regret	All the pictures have been burned And all the past Is just a lesson that we've learned I won't forget Please don't forget us Somewhere we went wrong
We were (5) so strong Our love is like a song You can't forget it So now I guess This is where we have to stand Did you regret Ever (6) my hand	All the pictures have been burned And all the past Is just a lesson that we've learned I won't forget Please don't forget us Somewhere we went wrong Our love is like a song
We were (5) so strong Our love is like a song You can't forget it So now I guess This is where we have to stand Did you regret Ever (6) my hand Never again	All the pictures have been burned And all the past Is just a lesson that we've learned I won't forget Please don't forget us Somewhere we went wrong Our love is like a song But you won't sing along
We were (5) so strong Our love is like a song You can't forget it So now I guess This is where we have to stand Did you regret Ever (6) my hand Never again Please don't forget	All the pictures have been burned And all the past Is just a lesson that we've learned I won't forget Please don't forget us Somewhere we went wrong Our love is like a song But you won't sing along You've forgotten
