

Fill in the gaps

My Friends Over You by New Found Glory

I'm drunk off your kiss

For (1)_____ night in a row

This is becoming too routine for me

But I did not mean to lead you on

And it's all right to pretend

That we still talk

It's just for show, isn't it

It's my (2)_____ that it fell apart

Just maybe

You (3)_____ this

And I (4)_____ mean to

Lead you on

You were everything I wanted

But I just can't finish (5)_____ I've started

There's no room (6)_____ (7)_____ on my back

It was damaged (8)_____ ago

Though you swear that you are true

I still pick my friends (9)_____ you

My friends (10)_____ you

Please tell me everything

That you think that I (11)_____ know

About all the plans you made

When I was (12)_____ to be found

And it's all (13)_____ to forget

That we still talk

It's just for fun, isn't it

It's my fault (14)_____ it fell apart

Just maybe you need this

And I didn't mean to

Lead you on

You were everything I wanted

But I (15)_____ can't finish what I've started

There's no room left here on my back

It was damaged (16)_____ ago

Though you (17)_____ that you are true

I (18)_____ pick my friends over you

My friends over you

Just maybe you need this

You (19)_____ this...

And I didn't mean to

Lead you on

You were everything I wanted

But I just can't finish what I've started

There's no room (20)_____ (21)_____ on my back

It was damaged long ago

Though you swear that you are true

I still pick my friends over...

You were everything I wanted

But I just can't finish (22)_____ I've started

There's no room left here on my back

It was damaged long ago

Though you (23)_____ that you are true

I still pick my friends (24)_____ you

My friends over you

Answer
