Set Fire To The Rain by Adele

I let it fall, my heart
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me
My hands, they were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet
But there's a side to you
That I (1)_____ knew, never knew
All the things you'd say
They (2)_____ never true, never true
And the games you'd play
You would always win, always win
But I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cry
'Cause I heard it screaming out your name
When laying with you
I could (3)_____ there, close my eyes
Feel you here forever
You and me, together, nothing gets better
'Cause there's a side to you
That I never knew, never knew
All the things you'd say
They were (4)_____ true, never true
And the games you'd play

You would always win, always win
But I set fire to the rain
Watched it pour as I touched (5)_____ face
Let it burn while I cry
'Cause I (6)_____ it screaming out your name
I set fire to the rain
And I threw us into the flames
I felt something die
'Cause I knew (7)_____ that was the last time
The last time
Sometimes, I wake up by the door
And (8)_____ you calling, must be waiting for you
Even now when we're (9)_____ over
I can't help myself from looking for you
I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cry
'Cause I heard it screaming out your name
I set fire to the rain
And I (10)_____ us into the flames
I felt something die
'Cause I knew that that was the last time
The last time
Let it burn
Let it burn
