I wish I could tell you by ChiĀle Howl

I don't ever wear that dress
It's just collecting dust
I see the lighter that we shared
It's just begun to rust
I should've let you know but she was so much better
But if I let you know would that make you forget her?
I wish I could (1)_____ you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
(2)_____ this pain would go away
If I could find the words to say
We could move on, we could move on now
It gets a little hard to sleep knowing you were here
This other guy's good for me but you won't disappear
I lost my breath and stumbled over the idea of you
But it never caught up with the reality of what you do
I wish I could tell you but I just run and hide
I wish I could tell you but it's a (3)_____ in my side
If I could find the words to say
Maybe this pain would go away
If I could (4)_____ the words to say
We could move on, we could move on now
You're playing with my mind

I'm sick of hearing you pretending you care
But never going to apologize
I know you're lying through your teeth
But you're swearing on (5)_____ life
And there's no language that I know
To make you (6)_____
I'm letting you go
I wish I could tell you but I just run and hide
I wish I (7)_____ tell you but it's a (8)_____ in
my side
If I could find the words to say
Maybe this (9)_____ would go away
If I could find the words to say
We could move on, we could move on now
Move on, move on now
I wish I could tell you
Move on, move on now
I wish I could tell you
Move on, move on
I wish I could tell you but I just (10)_____ on
