Fill in the gaps

Rock paper scissors by Katzenjammer

Everything you want
Everything you do
Everything and anything is up to you
Every single day starts with a riddle
You can go left or right down the middle
So take a little trip down the road and see
What you're gonna find
Who you want to be
But you might have to pick between these three
Rock paper scissors (1) one is it's your decision
And no (2) what you chose you're gonna live it
Rock paper scissors
(3) wants to be happy so
