Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call
And here I sit, hand on the telephone
Hearing the voice I'd known
A couple of light years ago
Heading straight for a fall
But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring (1)_____ and rust
Now I see you standing all around and snow in your hair
Now we're smiling out the window of the crummy hotel over
Washington Square
Our breath comes on white clouds, mingles and
(2)_____ in the air
Speaking strictly for me, we both could've died then and there
Now you're telling me you're not nostalgic

Then give me another word for it
You (3)_____ so good with words
And at keeping (4)_____ vague
'Cause I need (5)_____ of that (6)_____
now
It's all come (7)_____ too clearly
Yes, I love you dearly
And if you're offering me diamonds and rust, I've already paid
But we both (8)_____ what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring (9)_____ and rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Diamonds, (10)_____ and Rust
Don't want no more diamonds, diamonds and rust

Answer

1. diamonds
2. hangs
3. were
4. things
5. some
6. vagueness
