

## Fill in the gaps

All these kind of places
Make it seems like it's been ages
And tomorrow sun with buildings scrape the sky
I love this country dearly
I can feel the latter clearly
But never thought I'd be alone to try
Once I was outside Penn station
Selling red and white carnations
We were still alone, my wife and I
Before we married, saved my money
Brought my (1) wife over
Now I work to bring my family stateside
Got off the boat, they stayed a while
Then scattered (2) the coast
Once a year I'll see them for a week or so at most
I took a walk
Take a walk, take a walk
(bis)
Practice isn't perfect but the market cuts a loss
I remind myself that times could be much worse
My wife won't ask me questions
There's not so much to ask
And she'll never (3) around an empty purse
Watch my mother lacking
Just to stay a couple nights
And (4) she would stay the rest of her life
I watch my little children
Play some boardgame in the kitchen

(5) never feel my strife But then my partner called to say The pension funds were gone He made some bad investments Now the counts are overdrawn took a walk Take a walk, take a walk, take a walk (bis) Honey, it's (6) son I think I borrowed just too much We (7) taxes, we have bill We have a lifestyle to front And tonight I swear I'll come home And we'll make love like we're young And tomorrow you'll cook (8) For the neighbors and their kids We can rip apart the socialists And all their damn taxes

I'm (9) on both bad knees
I'm just too much a coward
To admit when I'm in need
To admit when I'm in need
I took a walk
