I'm one month (5)         I don't think I'm getting over my predicament         But if I jumped out of the window what would she say?         It's not on me, it's all on you         We can't deny the things we do         I can't believe her pretty feet         Walked over me, all over me         Help me, help me doctor         It seems to be an awful lot for me to understand         I know I'm not a specimen         The troubles and the mess I'm in         I should be dead         He said, let's all think         Then you've had all your fun         It's time to be a man         So you better quit your bitc*ing         Think about (6) the (7) would say         It's not on me, it's all on you         I can't prescribe what you want me to         You need some sleep, you (8) leave         He walked (9) me, all (10) me         (11) (12) tomorrow, and it's gone	(4)
I don't think I'm getting over my predicament But if I jumped out of the window what would she say? It's not on me, it's all on you We can't deny the things we do I can't believe her pretty feet Walked over me, all over me Help me, help me doctor It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	I got it wrong again
But if I jumped out of the window what would she say? It's not on me, it's all on you We can't deny the things we do I can't believe her pretty feet Walked over me, all over me Help me, help me doctor It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	I'm one month (5)
It's not on me, it's all on you We can't deny the things we do I can't believe her pretty feet Walked over me, all over me Help me, help me doctor It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	I don't think I'm getting over my predicament
We can't deny the things we do I can't believe her pretty feet Walked over me, all over me Help me, help me doctor It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	But if I jumped out of the window what would she say?
I can't believe her pretty feet Walked over me, all over me Help me, help me doctor It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	It's not on me, it's all on you
Walked over me, all over me Help me, help me doctor It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	We can't deny the things we do
Help me, help me doctor         It seems to be an awful lot for me to understand         I know I'm not a specimen         The troubles and the mess I'm in         I should be dead         He said, let's all think         Then you've had all your fun         It's time to be a man         So you better quit your bitc*ing         Think about (6) the (7) would say         It's not on me, it's all on you         I can't prescribe what you want me to         You need some sleep, you (8) leave         He walked (9) me, all (10) me         (11) (12) tomorrow, and it's gone	I can't believe her pretty feet
It seems to be an awful lot for me to understand I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	Walked over me, all over me
I know I'm not a specimen The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	Help me, help me doctor
The troubles and the mess I'm in I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	It seems to be an awful lot for me to understand
I should be dead He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	I know I'm not a specimen
He said, let's all think Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	The troubles and the mess I'm in
Then you've had all your fun It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	I should be dead
It's time to be a man So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	He said, let's all think
So you better quit your bitc*ing Think about (6) the (7) would say It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	Then you've had all your fun
Think about (6) the (7) would say         It's not on me, it's all on you         I can't prescribe what you want me to         You need some sleep, you (8) leave         He walked (9) me, all (10) me         (11) (12) tomorrow, and it's gone	It's time to be a man
It's not on me, it's all on you I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	So you better quit your bitc*ing
I can't prescribe what you want me to You need some sleep, you (8) leave He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	Think about (6) the (7) would say
You need some sleep, you (8) leave         He walked (9) me, all (10) me         (11) (12) tomorrow, and it's gone	It's not on me, it's all on you
He walked (9) me, all (10) me (11) (12) tomorrow, and it's gone	I can't prescribe what you want me to
(11) (12) tomorrow, and it's gone	You need some sleep, you (8) leave
	He walked (9) me, all (10) me
So long	(11) (12) tomorrow, and it's gone
	So long

Wait until tomorrow, so long And it's gone (13)\_\_\_\_\_ until tomorrow You beg and steal and borrow (14)\_\_\_\_\_ it's gone -He don't got a lot but he's got all he needs-I (15)\_\_\_\_\_ someone to love -And all he's got well it's all that he needs-Somebody help me because I could hear the voices in the tube To get me through anything I do and anything (16)\_\_\_\_\_ do good by me A little pill, a little thrill Should I take it? I (17)\_\_\_\_\_ I will And anything (18)\_\_\_\_\_ do good so As long as it's always too good (19)\_\_\_\_\_ way I don't (20)\_\_\_\_\_ a d\*mn What you (21)\_\_\_\_\_ all say All now boy It's not on me, it's all on you I can't deny the things I do I can't believe her pretty feet Walked over me, all over me It's not on me, it's all on you (22)\_\_\_\_\_ comes a (23)\_\_\_\_\_ to speak the truth So you can see me when I leave Walk over you, all over you yeah
