Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never (1) this way?
Maybe I (2) (3)
Something that was wrong
Can I make it better
(4) the lights turned on?
Maybe I have said
Something that was wrong
Can I (5) it better
(6) the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to drown whenever you leave
