Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you (1) when I say
I have never (2) this way?
Maybe I have (3)
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it (4)
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air

I still want to drown whenever you leave
I still want to drown whenever you leave
I still want to drown whenever you leave Please (5) me (6) how to breathe
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans (7) never before
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans (7) never before So you can feel the way I feel it too
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans (7) never before So you can feel the way I feel it too And I'll sing images (8) at you
