Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I (1) it (2)
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to (3) whenever you leave
I still want to (3) whenever you leave (4) teach me gently how to breathe
(4) teach me gently how to breathe
(4) teach me gently how to breathe And I'll cross oceans like never before
(4) teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I (5) it too
(4) teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I (5) it too And I'll sing images back at you
(4) teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I (5) it too And I'll sing images back at you So you can see the way I feel it too
(4) teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I (5) it too And I'll sing images back at you So you can see the way I feel it too Maybe I have said
