Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I (1) said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I (2) said
Something (3) was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It (4) so crystal in the air
11 (4) 30 drystal in the all
I still want to drown whenever you leave
I still want to drown whenever you leave
I still want to drown whenever you leave Please (5) me (6) how to breathe
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans like never before
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans like never before So you can feel the way I (7) it too
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans like never before So you can feel the way I (7) it too And I'll sing images back at you
I still want to drown whenever you leave Please (5) me (6) how to breathe And I'll cross oceans like never before So you can feel the way I (7) it too And I'll sing images back at you So you can see the way I (8) it too
