## Distance by Christina Perri

## Fill in the gaps

The sun is filling up the room
And I can hear you dreaming
Do you feel the way I do, right now?
I wish we would just give up
Because the best part is falling
Calling anything but love
And I (1) make sure to keep my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so close to me
I'm having trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
I'll give you everything I am All my broken heartbeats
All my broken heartbeats
All my broken heartbeats  (2) I know you'll understand
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening  And how long can we keep this up, up, up?
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening  And how long can we keep this up, up, up?  And I keep waiting
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening  And how long can we keep this up, up, up?  And I keep waiting  For you to take me
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening  And how long can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening  And how long can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting  To save what we have
All my broken heartbeats  (2) I know you'll understand  And I will make sure to keep my distance  Say I love you when you're not listening  And how long can we keep this up, up, up?  And I keep waiting  For you to take me  And you keep waiting  To save what we have  So I'll make sure to (3) my distance
