Northern lights by Cider Sky

Every time I close my eyes
I can touch the colors around me
Suddenly I (1) _____
Everything I thought was impossible is here
And my heart sings in a world so incredible
And (2) _____ burns much brighter
I want to fly into this beautiful life
I think it'd be (3) _____ with you
I want to fly into this beautiful life
I (4) _____ it'd be nice with you,
With you, with you, with you
Fingertips, northern lights,
tracing colors right through the sky
Underneath a lullaby
I (5) _____ felt as blissful as I do here
And my heart sings in a world so incredible

And everything (6) _____ much brighter
I want to fly into this beautiful life
I think it'd be nice (7) _____ you
I (8) _____ to fly into this beautiful life
I think it'd be nice with you,
With you, with you, with you
Set the night on fire if we want to
Hanging out with the stars and the big moon
I'm very well thank you, how do you do?
I think it'd be nice with you
Set the night on fire if we want to
Hanging out with the stars and the big moon
Put them down for a dance with your lasso
I (9) _____ it'd be nice with you, with you (bis)
