

Small bump by Ed Sheeran

Fill in the gaps

You're just a small bump unborn
In four months you're brought to life
Might be left with my hair
But you'll have your mother's eyes
I'll hold your body in my hands
I'll be as gentle as I can
But for now you scan on my unmade plans
Small bump in four months you're brought to life
And I whisper quietly
I'll give you nothing but truth
If you're not inside me
I'll put my future in you
You are my one, and only
You can wrap your fingers around my thumb
And hold me tight
You are my one, and only
You can wrap your fingers around my thumb
And hold me tight
You'll be alright
You're just a small bump unknown
You (1)_____ into your skin
With a smile like hers
And a dimple beneath your chin
Finger nails the size of a half grain of rice
And eyelids closed to be soon opened wide
Small bump in four months you'll open your eyes

And I hold you tightly
I'll tell you nothing but truth
If you're not (2)_____ me
I'll put my future in you
You are my one, and only
And you can wrap your fingers around my (3)_____
And hold me tight
You'll be alright
And you can lie with me
With your (4)_____ feet when you're (5)_____
asleep
But if you be right in (6)_____ of me for a couple
weeks
So I can keep you safe
Because you are my one, and only
And you can wrap your fingers around my thumb
And hold me tight
You are my one, and only
And you can wrap (7)_____ fingers (8)_____
my thumb
And hold me tight
You'll be alright
Because you're just a small bump unborn
But four (9)_____ then torn from life
Maybe you were needed up there
But were still unaware as why
