

Fill in the gaps

Bullet by Franz Ferdinand

While I'm away

You can let the mask go down on you

Let the mask do what I do

If I was there

You'd better explain

That I (1)_____ a (2)_____ in my narrow
bones

I have a (3)_____ eye

Over jealousy, I have no control

I never get your (4)_____ out of my head now,
baby

I (5)_____ get your bullet out of my mind

I never get your bullet out of my head now, baby

I never get your bullet out of my mind

How can I get (6)_____ bullet out of my head now?

I have no control, but I try, yeah, I try

I better explain that I have

A red vendetta in my (7)_____ bones

And a wicked, indicative eye

Over yellow jealousy

I have no control, no control

I never get your bullet out of my head now, baby

I never get your bullet out of my mind

I never get your (8)_____ out of my head now,
baby

I never get your (9)_____ out of my mind

I get out of my head

I get out of my head now

I get out of my head

I get out of my head now

I get out of my head

I get out of my head now

I get out of my mind

Fill in the gaps

Answer
