Fill in the gaps

We always dreamed about this better life, this better life
We always thought we'd come in all along, yeah all along
We got the keys to open paradise, your paradise
Now let's go walking hand in hand
Come on baby we can hit the lights
Make the wrongs turn right
We can smash the club
Make the pop go rock
With a love this deep
We don't need no sleep
And it feels like
We could do this all night
We could do this all night
Yeah, everything is alright
We got the keys to open paradise, your paradise
It feels like we could do this all night
We could do this all night
Oh, we can dance under the summer skies
The summer skies
The (1)_____ change, our hearts will stay the
