## Who I am living for? by Katy Perry

I can (1) a phoenix inside of me	At the end of it all
As I march alone to a different beat	Who am I living for
(2) swallowing down my fear	I can see the writing on the wall
I am ready for the road (3) traveled	I can't ignore this war
Suiting up for my crowning battle	At the end of it all
This (4) is my own cross to bear	Who am I (18) for?
But I will get there	I can see the writing on the wall
(5) never (6) to be chosen	I can't ignore this war
Never (7) to be (8) standing on	At the end of it all
the front line	Who am I living for?
When the bombs start to fall	At the end, at the end
I can see the heavens	Who am I living for?
But I still hear the flames	At the end, at the end
Calling out my name	Who am I (19) for?
I can see the writing on the wall	Heavy is the (20) that wears the crown
I can't ignore this war	Don't let the (21) get you down
At the end of it all	Heavy is the (22) (23) wears the crown
Who am I living for?	(24) let the greatness get you down
I can (9) this lightness inside of me	I can see the writing on the wall
Growing fast into a (10) of lightning	I (25) ignore this war
Growing fast into a (10) of lightning I know one spark will shock the world	I (25) ignore this war At the end of it all
I know one spark will shock the world	At the end of it all
I know one spark will shock the world So I pray for favor (11) Esther	At the end of it all Who am I living for?
I know one spark will shock the world So I pray for favor (11) Esther I (12) your strength to handle the pressure	At the end of it all Who am I living for? I can see the writing on the wall
I know one spark will shock the world So I pray for favor (11) Esther I (12) your strength to handle the pressure I know there (13) be sacrifice	At the end of it all Who am I living for? I can see the writing on the wall I can't (26) this war?
I know one spark will shock the world So I pray for favor (11) Esther I (12) your strength to handle the pressure I know there (13) be sacrifice But that's the price	At the end of it all Who am I living for? I can see the writing on the wall I can't (26) this war? At the end of it all
I know one spark will shock the world So I pray for favor (11) Esther I (12) your strength to handle the pressure I know there (13) be sacrifice But that's the price It's never (14) to be chosen	At the end of it all Who am I living for? I know one spark will shock the world So I pray for favor (11) Esther I (12) your strength to handle the pressure I know there (13) be sacrifice But that's the price It's never (14) to be chosen Never easy to be (15) standing on the front	At the end of it all Who am I living for? I can see the writing on the wall I can't (26) this war? At the end of it all Who am I living for? At the end, at the end
I know one spark will shock the world So I pray for favor (11) Esther I (12) your strength to handle the pressure I know there (13) be sacrifice But that's the price It's never (14) to be chosen Never easy to be (15) standing on the front line	At the end of it all Who am I living for?
