I'm sitting down here, but hey, you can't see me	But you (14) be aware
Your words cut (1) deeply	But I've learned to get revenge
They're (2) some (3) lies	And I swear you'll experience that someday
I'm hiding from a distance	I'm sitting down here, but hey, you can't see me
I've got to pay the price	Kind of invisible, you don't sense my stay
Defending all against it	Not really hiding, not (15) a shadow
I really don't know why	Just thought I would join you for one day
You're (4) with all my secrets	I'm sitting down here, but hey, you can't see me
You always (5) me cry	Kind of invisible, you don't (16) my stay
You seem to want to hurt me	Not really hiding, not like a shadow
No matter what I do	Just (17) I (18)
I'm (6) just a couple	(19) you for one day
But somehow it gets to you	You seem to want to hurt me
