

## Fill in the gaps

It's five o'clock in the morning	Are you mine? are you mine?
Conversation got boring	Because I stay here all the time
You said you're going to bed soon	Watching telly, drinking wine
So I (1) off to your bedroom	Who'd have known? who'd have known?
And I thought I'd just wait there	When you flash up on my phone
Until I heard you come up the stairs	I no longer feel alone
And I pretended I was sleeping	Let's just stay, let's (6) stay
I was hoping you would creep in with me	I wanna lay in bed all day
Put your arm around my shoulder	We'll be laughing all the way
It was good, till it got colder	Told your friends, they all know
And we moved closer in, together	We exist, but we're taking it slow
And started talking about the weather	Let's just see how it goes
Said tomorrow (2) be fine	Now, let's see how it goes
And we could watch a place in the sun	<em>En el cartel del vídeo:</em>
I didn't (3) where (4) was going	<em>-I want you to know that I have (7)</em>
When you kissed me	deeply in love with Lily-
When you kissed me Are you mine? are you mine?	deeply in love with Lily- Are you mine? are you mine?
