

Fill in the gaps

It's five o'clock in the morning	Are you mine? are you mine?
Conversation got boring	Because I (13) here all the time
You (1) you're (2) to bed soon	Watching telly, (14) wine
So I snuck off to your bedroom	Who'd have known? who'd have known?
And I thought I'd just wait there	(15) you (16) up on my phone
Until I heard you come up the stairs	I no longer feel alone
And I pretended I was sleeping	Let's just stay, let's just stay
I was (3) you would creep in with me	I (17) lay in bed all day
Put your arm (4) my shoulder	We'll be laughing all the way
It was good, till it got colder	Told (18) friends, they all know
And we moved closer in, together	We exist, but we're taking it slow
And started talking (5) the weather	Let's (19) see how it goes
Said tomorrow (6) be fine	Now, let's see how it goes
And we could watch a place in the sun	En el cartel del vídeo:
I didn't (7) where this was going	-I want you to know that I have fallen deeply in love with
When you kissed me	Lily-
Are you mine? are you mine?	Are you mine? are you mine?
Because I stay here all the time	Because I (20) here all the time
Watching telly, drinking wine	Watching telly, (21) wine
Who'd (8) known? who'd have known?	Who'd (22) known? who'd have known?
When you flash up on my phone	When you (23) up on my phone
I no (9) feel alone	I no longer (24) alone
No longer feel alone	Let's just stay, let's just stay
Haven't left you for days now	I wanna lay in bed all day
And I'm becoming amazed how	We'll be (25) all the way
You're quite affectionate in public	Told your friends, they all know
In fact, (10) friend said it (11) her feel	We exist, but we're taking it slow
sick	Let's just see how it goes
And (12) now it's moving forward	Now, let's see how it goes
It's just the right amount of awkward	
And today, you assidentally called me haby
