

Fill in the gaps

Little in the middle by Milow

You always wanted to be
Part of a circus company
For the fun and death defying
But in time you forgot
life is small in the big top
And your dreams were slowly dying
What you wanted was not a crime
You could've done it
Now you're (1)_____ just a little
A little in the middle
A little in the (2)_____
of where you're bound
(3)_____ just a little in the middle
It keeps your head from spinning round
Jugglers walk on the wire
Lions leap (4)_____ hoops of fire
As the acrobats go flying
But what's the show all about
When did your north get turned to south
And the truth turn to lying
What you wanted
was not a crime
You could've done it
but you needed time
Now you're always just a little

A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It (5)_____ your head (6)_____ spinning...
But it's a hole you're digging
A hole you're digging
you're (7)_____ it despite
the so (8)_____ more you're missing
More you're (9)_____
to your left and to your right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning round
And round, and (10)_____
It keeps your head from spinning round...
(bis x2)

Answer
