

Fill in the gaps

La la la by Naughty Boy

Hush, don't speak

When you spit your venom

(1)_____ it shut I hate it

(2)_____ you hiss and preach

About your new messiah

Because (3)_____ theories catch fire

I can't find

Your silver lining

I don't mean to judge

But when you read your speech

It's tiring, enough is enough!

I'm covering my ears like a kid

When (4)_____ words mean nothing

I go la, la, la

I'm turning up the volume when you speak

Because if my heart can't (5)_____ it

I (6)_____ a way to block it

I go la, la, la...

I find a way to block it

I go la, la, la...

If our love is running out of time

I won't count the hours, rather be a coward

When our words collide

I'm going down you out before I lose my mind

I can't find your silver lining

I don't mean to judge

But when you read your speech

It's tiring, (7)_____ is enough

I'm covering my ears like a kid

When your words mean nothing

I go la, la, la

I'm turning up the volume when you speak

Because if my (8)_____ can't stop it

I find a way to block it

I go la, la, la...

I find a way to block it

I go la, la, la...

I find a way to block it

I (9)_____ a way to block it

I go la, la, la...

I'm covering my ears like a kid

When your words (10)_____ nothing

I go la, la, la

I'm turning up the volume when you speak

Because if my heart can't stop it

I find a way to block it

I go...

I'm covering my ears like a kid

When your words mean nothing

I go la, la, la

I'm turning up the volume when you speak

Because if my heart can't stop it

I find a way to block it

I go...
