

## Fill in the gaps

### La la la by Naughty Boy

Hush, don't speak  
When you spit your venom  
Keep it shut I hate it  
When you hiss and preach  
About your new messiah  
Because your theories catch fire  
I can't find  
Your silver lining  
I don't mean to judge  
But when you read your speech  
It's tiring, enough is enough!  
I'm covering my ears like a kid  
When your words mean nothing  
I go la, la, la  
I'm turning up the volume when you speak  
Because if my heart can't stop it  
I find a way to block it  
I go la, la, la...  
I find a way to block it  
I go la, la, la...  
If our love is running out of time  
I won't count the hours, rather be a coward  
When our words collide  
I'm going down you out before I lose my mind  
I can't find your silver lining
