Something I need by One Republic

I had a dream the other night
About how we (1)_____ get one life
Woke me up right after two
I stayed (2)_____ and stared at you
So I wouldn't lose my mind
And I had the week (3)_____ came from hell
And yes, I know (4)_____ you (5)_____ tell
But you're like the net under the ledge
When I go (6)_____ off the edge
You go flying off as well
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one (7)_____ me
And if we only die once
I (8)_____ to die with you
You got something I need
In this world (9)_____ of people
There's one (10)_____ me
And if we only die once
I want to die with you
(11)_____ night I think I drank too much
Call it our temporary crunch
With broken words I've tried to say it
Honey don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me

And if we only die once
I want to die with you
You got something I need
In this (12)_____ full of people
There's one killing me
And if we only die once
I want to die with you
I know that we're not the same
But I'm so damn glad
That we made it to (13)_____ time, (14)_____ time
You got something I need
Yeah, in this world full of people
There's one killing me
And if we (15)_____ die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
If we (16)_____ die once
I (17)_____ to die with...
If we (18)_____ live once
I want to live with you
