Golden leaves by Passenger

Do you remember how this first begun?
Teeth were white and our skin was young
(1)_____ as bright as the Spanish sun
We had (2)_____ we could hide
Now my dear we are two golden leaves
Clinging desperately to winter trees
(3)_____ up here like a pair of thieves
While the sirens blare outside
What's left to say when every word's been spoken
What's left to see (4)_____ our eyes won't open
What's left to do (5)_____ we've lost all hope and
What's left to break when our (6)_____ are broken
But sometimes
Do you remember how this started out?
So full of hope but now we're (7)_____ with doubt
A dirty (8)_____ we used to laugh about

But it's not funny anymore
I fear I'll choke unless I spit it out
Still smell of smoke although the fire's gone out
Can't live with you but I'd die without
So what's left to say when (9)_____ word's been
spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
What's left to say when every word's been spoken
What's (10)_____ to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
